Telephone—No. 215

OFFICE OF THE SENIOR SURGEON IN MYSORE,

No. G.C.-131
Enc.

Bangalore, dated the 6 Jan 7 1937.

From

Sastravaidya Pravina
S. SUBBA RAO, Esq., B.A., M.B.C.M., M.R.C.S., (Eng.) L.R.C.P., D.P.H.,
Senior Surgeon with the Government of H.H. the Maharaja of Mysore.

GEN. SEC. 2957 JAN 7
GENL. & REV. DEPT.

To

GENERAL SECRETARY
7 JAN 1937

med. 167-36-1

The General Secretary
to the Government of His Highness the
Maharaja of Mysore, Bangalore.

Sir,

With reference to G.O. No. G. 5044-66/med. 105-32-4 dated 23rd January 1933 approving of the Revised rules regarding the training and employment of Compounders and directing that the number of candidates that could received training in Bangalore and Mysore will be 25 each year, I have the honour to state that 50 candidates are being selected annually for training in Compounding and there are at present more than 100 passed candidates on the waiting list. Judging from the repeated applications received from the candidates who have been on the waiting list for these four years, I can say that there is little or no scope for their employment outside the Department and that a difficult situation has arisen so far as their employment is concerned. As regards the actual demand for qualified compounders for the State service, I may note that the situation is just the same as it was in the year 1932 and there seems to be no possibility of entertaining even a small percentage of these passed candidates in the Department for some time to come. In these circumstances there seems to be no justification ~~to~~ in training such a large number of candidates as 50 every year and it is considered necessary to reduce the number to 12

12 (six for the Krishnarajendra Hospital and 6 for the Victoria Hospital). I accordingly propose that commencing from the year 1937 and for some years to come, only 12 candidates be permitted to be recruited for training every year. This proposal may kindly be approved.

As regards the female candidates, Government in their order of 23rd January 1935, directed that four stipends of the value of Rs. 10/- each may be granted to deserving lady candidates every year. In accordance with this order, stipends are being granted to four candidates each year and it is now seen that there are four stipendiary candidates who are already on the waiting list since July 1936 and this number is likely to be increased to eight by the addition of the four stipendiary candidates in July 1937 when they are expected to pass the examination. There is no possiblity of any vacancies occuring in the near future and the question of absorbing these candidates has therefore to lie over for some time to come. As in the case of male candidates, quite a large number of girls are ready to take up the training at their own expense and the necessity for granting stipends at any rate does not exist. In the circumstances, I recommend that the grant of stipends to Lady candidates be abolished from July 1937.

I further propose that the savings resulting from the stoppage of these stipends viz., Rs. 480/- per annum may be utilised to meet the pay of the two ticket-writers required for the Victoria and Vani Vilas Hospital, Bangalore. I may, in this

in this connection, invite reference to my letter No. G. 619-3 dated 24th September 1936 explaining the necessity for the appointment of a Ticket-writer ~~required~~ for the Vani Vilas Hospital, Bangalore. Similar difficulty is felt in the Victoria Hospital as well and the need for the services of a whole time ticket-writer is keenly felt. At present, the pupil compounders are being entrusted with the work of Ticket-writers in the Victoria Hospital and each one of the 25 pupil compounders is asked to take up this duty once in a fortnight by rotation. This arrangement has not however been working satisfactorily and when the number of pupil compounders is reduced to 6 in July 1937, the situation becomes still more difficult. As no whole-time Ticket-writer has been sanctioned for these two Hospitals there has been much overcrowding and confusion in the out-patient departments. I may note that two ticket writers have been sanctioned for the Minto Ophthalmic Hospital one for the male side and another for the female side and on both these sides therefore admissions are under strict regulation and orderliness prevails. The appointment of at least one Ticket-writer for each of the Victoria and the Vani Vilas Hospitals is therefore urgently required.

In the circumstances, I strongly recommend that Government may be pleased to sanction the appointment of two Ticket-writers on a pay of Rs. 20/- each; one for the Victoria and the other for the Vani Vilas Hospital, Bangalore, the cost being met from the savings to be effected from the stoppage of stipends to Lady Compounders.

Compounders.

I request early orders.

I have the honour to be,

Sir,

Your most obedient servant,

S. Subba Rao

Senior Surgeon.

C.R.

Letter No.C.619-3/Enc.3 dated 24-9-1936 from the Senior Surgeon in Mysore, Bangalore, to the General Secretary to the Government of Mysore, Bangalore, through the Comptroller in Mysore, Bangalore.

I have the honour to forward for sanction of Government a proposition statement received from the Medical Officer, Vani Vilas Hospital, Bangalore providing for a Lady Clerk on Rs.20-1-25.

2. I enclose herein a copy of letter No.714 dated 6-9-1936 received from the Medical Officer explaining the necessity for the entertainment of a women clerk for the Out-patient Department. I agree with the Medical Officer regarding the urgent need for such a clerk considering the fact that a large number of registers and forms have to be maintained not only in the case of the patients attending the Out-patient Depa tment, but also in the case of ~~xxx~~ Women and children attending the Ante-natal and Baby Clinics. Some of these registers and forms have to be entered while the patient is being examined, and the presence of a male clerk would be resented.

The additional cost involved will be met by reappropriation of funds during the current year

---

H. Nanjundaiya

For Senior Surgeon.

Letter No.714 dated 6-9-1936 from the Medical Officer Vani Vilas Hospital, Bangalore, to the Senior Surgeon in Mysore, Bangalore.

I have the honour to bring to your notice the Antenatal work is done on Saturday mornings in this Hospital.

We get about 140-150 patients for Antenatal Department and the whole out-patients on that day about 350. On Tuesdays and Thursdays the out-patient number is about 300. On Mondays when Anti-venereal work for pregnant women is done besides the outpatients there are about 60 Sulpharsenol injections to be given. Intravenous injections which are by for the most efficacious are not given for want of staff. The out-patients case here are different to those in the General Hospitals because nearly all these have a pelvic examination made. I am enclosing a chart to show how after examining the patient the chart has to be filled in. This takes a great deal of time and even when two doctors are examining as is now being done it is impossible to fill these charts. I therefore request you to kindly sanction a Lady Clerk for the Out-patients Department on a pay of Rs.20-25.

GENERAL SECRETARY 21 APR. 1937

GENL. & MIS. BRANCH 4857 21 APR. 1937 REV. SE

To

The General Secretary to the Government of
His Highness the Maharaja of Mysore, Bangalore.

Sir,

With reference to Government order No. G. 7677-9/med. 167-36-2 dated 27th March/ 1st April 1937 directing that the grant of stipends to lady pupil compounders be discontinued from the year 1937, I have the honor to state that 4 lady pupil compounders are selected each year for training in Compounding and these pupils were not liable to pay any fee as they used to get stipends. Now that the stipends have been ordered to be discontinued, specific orders of Government are necessary to exempt these lady candidates from payment of fee.

I recommend that Government may be pleased to direct that the four lady candidates to be selected for training each year be exempted from payment of fee as in the case of Lady students

GENL. & MIS. BRANCH. 5 - MAY 1937 GENL. & REV. SECTT.

From

Rajasevasaktha
B. K. NARAYANA RAO, Esq., B.A., M.B., C.M., M.R.C.S. (Eng.) D.P.H., D.O., (Oxon)
Offg. Senior Surgeon with the Government of His Highness the Maharaja of Mysore.

To

The General Secretary to the Government of
His Highness the Maharaja of Mysore, Bangalore.

Sir,

With reference to your letter No G. 8580/med. 167-36-5 dated the 29th April 1937 enquiring why sanction is sought for exempting lady pupil compounders from payment of fee, I have the honor to state that although it was ordered in Government order No.G. 5044-66/med. 105-32-4 dated the 23rd February 1933 that lady candidates will be exempted from payment of fees, it was thought desirable to obtain a specific ruling in the revised orders.

As I now see that the previous orders on this point hold good, there is no necessity for the issue of separate orders.

I have the honor to be,
Sir,
Your most obedient servant,
B. Narayana Rao
Ag. Senior Surgeon. 3/5
